Rabies in Animals	0	0	2	0	6	38	8	38

Since only a portion of all reportable illnesses are reported, these figures represent trend rather than actual incidence. More complete reporting of case to the Department of Health & Social Services will result in more accurate statistics. The above figures represent both military and civilian reporting.

	1973	1977
Total Population:	326,870	436,195
Southeastern Region:	45,330	53,893
Southcentral Region:	209,660	296,213
Northern Region:	71,880	86,089
